**DISCLOSURE STATEMENT FOR
DEBTOR'S CHAPTER 11 PLAN OF
REORGANIZATION
(Dated May 26, 2015)**

**This Disclosure Statement Has Not Been Approved by the Bankruptcy Court as
Containing Adequate Information. The Bankruptcy Court will Determine Whether
this Disclosure Statement Contains Adequate Information at a Hearing to Consider
Approval of the Disclosure Statement. The Transmission of this Proposed
Disclosure Statement is Not a Solicitation for Acceptance or Rejection of Debtor's
Proposed Plan.**

Ivory Trading Company, Inc. dba Ivory Headwear, Co. (“Debtor”) submits this Disclosure Statement in connection with its Plan of Reorganization dated May 26, 2015 (the “Plan”). A copy of the Plan is attached hereto as Exhibit A. Capitalized terms used herein shall have the meanings given to them in the Plan unless otherwise defined herein. The purpose of this Disclosure Statement is to set forth information that (i) summarizes the Plan and alternatives to the Plan, (ii) informs creditors and Equity Interest holders of the treatment to be afforded their claims against and equity interests in the Debtor under the Plan, (iii) assists creditors entitled to vote in making informed decisions as to whether they should vote to accept or reject the Plan, and (iv) assists the Court in determining whether the Plan complies with the provisions of chapter 11 of the Bankruptcy Code and should be confirmed. The Plan describes how all Claims against and Equity Interests in the Debtor will be resolved, and provides the means by which the Debtor will be reorganized.

I. EXECUTIVE SUMMARY

A. Introduction.

On April 24, 2015 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. This executive summary is intended solely as a summary of the distribution provisions of the Plan and certain matters relating to the plan confirmation process. For a more complete understanding of the Plan, you should read this Disclosure Statement, the Plan, and the exhibits thereto in their entirety.

B. Definitions and Plan Supremacy.

All terms defined in the Plan will have the same meanings when used in this Disclosure Statement. Terms defined in this Disclosure Statement which are also defined in the Plan are solely for convenience and the Debtor does not intend to change the definitions of those terms in

1 the Plan. Furthermore, in the event of any inconsistency between the Plan and this Disclosure
2 Statement, the Plan will control. The exhibits attached to this Disclosure Statement are
3 incorporated into and are a part of this Disclosure Statement.

D. The Disclosure Statement Approval

On _____, 2015, the Bankruptcy Court approved this Disclosure Statement in accordance with section 1125(f) of the Bankruptcy Code and Bankruptcy Rule 3017 as containing “adequate information” to enable a hypothetical, reasonable investor typical of holders of Claims against the Debtor to make an informed judgment as to whether to accept or reject the Plan at the Confirmation Hearing. Approval of this Disclosure Statement does not constitute a determination by the Bankruptcy Court as to the fairness or merits of the Plan.

E. Confirmation of Plan

The Bankruptcy Court may confirm the Plan if it is approved by creditors holding more than two-thirds in amount and one-half in number of the Claims voted in each impaired Class of Claims under the Plan.

Objections, if any, to confirmation of the Plan must be filed with the Bankruptcy Court and a copy served on counsel to the Debtor such that the objection is received on or before 5:00 p.m. on _____, 2015. The hearing to consider confirmation of the Plan will be held at ____:00 a.m. on _____, 2015.

The confirmation hearing may be adjourned from time to time without further notice except for the announcement of the adjourned date and time at the hearing on confirmation, or at any adjournment thereof.

II. DISCLAIMERS

This Disclosure Statement is not the Plan. This Disclosure Statement, together with the Plan which accompanies this Disclosure Statement, should be read completely. For the convenience of creditors, the Plan is summarized in this Disclosure Statement, but all summaries and other statements regarding the Plan are qualified in their entirety by the Plan itself, which is controlling in the event of any inconsistency. No representations or assurances concerning the Debtor, including, without limitation, its operations, the value of its assets, or the future operations of Ivory Trading Company, are authorized by the

Debtor other than as set forth in this Disclosure Statement. This is a solicitation by the Debtor only. The representations made herein are those of the Debtor and not its attorneys or any other professional. Portions of this Disclosure Statement describing the Debtor's financial condition have not been subjected to an independent audit, but prepared from information compiled by the Debtor from records maintained in the ordinary course of its operations. Reasonable efforts have been made to accurately prepare all financial information which may be contained in this Disclosure Statement from the information available to the Debtor. However, as to all such financial information, the Debtor is unable to warrant or represent that the information contained herein is without error.

As to contested matters, adversary proceedings and other actions or threatened actions, this Disclosure Statement shall not constitute or be construed as an admission of any fact, liability, stipulation or waiver, but rather as a statement made in settlement negotiations. The contents of this Disclosure Statement should not be construed as legal, business or tax advice to holders of claims against or equity interests in the Debtor. Creditors and equity interest holders should consult their own legal counsel or tax advisor on any questions or concerns respecting tax, securities, or other legal effects of the Plan on them.

III. THE DEBTOR'S HISTORY AND BUSINESS BACKGROUND

A. History and Business of the Debtor

The Debtor was organized as an Oregon S-corporation in 2003. From its leased location in southeast Portland, the Debtor operates two businesses: a custom headwear embroidery and marketing business, as well as a business venture involving sale of wholesale light-gauge, galvanized, painted and cold-rolled steel. The Debtor's assets include cash on hand, accounts receivable, three embroidering machines, inventory, drawings, a customer list, steel racking and other miscellaneous items.

1 **B. Management of Ivory Trading.**

2 Michael Ivory is the president and sole director of Ivory Trading as of the date hereof.

3 **C. Ivory Trading Interest Holders.**

4 Ivory Trading has one class of common stock, 100% of which is owned by Michael
5 Ivory.

6 **D. Related Party Transactions**

7 GIDI Promotions (“GIDI”) is an insider of the Debtor as defined in section 101(31) of the
8 Bankruptcy Code. GIDI was an unsecured lender to the Debtor prior to the Petition Date. As a
9 result, GIDI possesses an unsecured claim of \$36,693.30 (the “GIDI Unsecured Claim”). Under
10 the Plan, the Debtor will not pay any amounts to GIDI on account of the GIDI Unsecured Claim
11 until all other allowed unsecured Claims and allowed administrative Claims have received all
12 payments due under the Plan. Also prior to the Petition Date, Michael Ivory, the President and
13 owner of the Debtor, incurred a number of business related expenses, some of which were not
14 reimbursed. The amount that remains outstanding, \$32,510.93, constitutes the Ivory Unsecured
15 Claim. Under the Plan, the Debtor will not pay any amounts to Ivory on account of the Ivory
16 Unsecured Claim until all other allowed unsecured Claims and allowed administrative Claims
17 have received all payments due under the Plan.

18 **IV. THE BANKRUPTCY CASE**

19 **A. Commencement of Bankruptcy Case.**

20 The Debtor commenced the Bankruptcy Case by filing a voluntary petition for relief
21 under chapter 11 of the Bankruptcy Code on April 24, 2015. No trustee has been appointed, and
22 the Debtor has continued to manage its property and affairs as debtor-in-possession pursuant to
23 sections 1107 and 1108 of the Bankruptcy Code.

24 **B. Official Committee of Unsecured Creditors.**

25 The Bankruptcy Code provides for the appointment of an official committee of unsecured
26 creditors in a chapter 11 case to promote the interests of all unsecured creditors. This committee

1 is generally chosen from the twenty largest unsecured creditors and is appointed by the United
2 States trustee. No committee was appointed in this Bankruptcy Case.

3 **C. Bank of the West**

4 The primary factor necessitating the chapter 11 filing by the Debtor was notice of BOTW
5 that it intended to record a confession of judgment that had been executed by the Debtor. BOTW
6 began lending to the Debtor in 2004. Through a series of extensions, the one-year facility was
7 extended by BOTW through 2013. Debtor and BOTW subsequently negotiated and executed a
8 forbearance agreement, pursuant to which BOTW agreed to forbear from exercising its rights
9 under the BOTW Loan Documents through December 31, 2014, based upon certain payments
10 being made by Debtor at an interest rate of 4.75%. The forbearance agreement required the
11 Debtor and Mr. Ivory, personally, to execute a confession of judgment. Debtor made all
12 progress payments. When Debtor did not pay all amounts due under the BOTW Loan on the
13 stated maturity date, BOTW indicated it would record the confession of judgment after April 24,
14 2015.

15 **D. Postpetition Finances**

16 The operating expenses of the Property are generally paid by revenues from the business.
17 On May 7, 2015, the Bankruptcy Court entered an order authorizing use of cash collateral.
18 Accordingly, since the commencement of the Bankruptcy Case, Debtor has accumulated
19 revenue, has incurred operating expenses, and on and after May 7, 2015, made cash
20 disbursements. Debtor expects to incur approximately \$50,000 in reorganization-related
21 expenses during the course of this case.

22 **V. FINANCIAL INFORMATION**

23 **A. Selected Financial Information**

24 The following table shows the Debtor's income and expenses for the fiscal year ending

B. Claims

1. Secured Claims

The Debtor is indebted to BOTW, the single creditor whose claim is secured, in whole or in part, by property owned by the Debtor or in which the Debtor asserts a security interest.

Under the Plan, this claim is contained in Class 1.

In summary, Debtor is indebted to BOTW for a loan secured by a trust deed. The Debtor scheduled the BOTW's secured claim in the amount of \$533,056.56.

2. Administrative Expense Claims

Administrative Expense Claims consist primarily of (a) costs and expenses incurred in connection with the operation of the Debtor's business after the Petition Date, (b) claims of

professionals who are or were employed at the expense of the Debtor's bankruptcy estates, to the extent allowed by the Court, and (c) fees and charges assessed against the bankruptcy estate under 28 U.S.C. § 1930, including quarterly fees payable to the United States Trustee. Assuming the Effective Date of the Plan is on or around August 1, 2015, the Debtor projects that there will be no unpaid Administrative Expense Claims other than Fee Claims. The Debtor estimates that the total outstanding Fee Claims will be \$50,000.

3. Priority Claims

The Debtor estimates that there are no unpaid claims that arose before the Petition Date that are entitled to priority under section 507(a) of the Bankruptcy Code.

4. Unsecured Claims

The Debtor listed \$371,808.72 in unsecured claims on its Schedules, including the GIDI Unsecured Claim in the amount of \$36,693.30 and the Ivory Unsecured Claim in the amount of \$32,510.93. The Bankruptcy Court set August 31, 2015 as the deadline for proofs of claim (other than certain government claims).

VI. DESCRIPTION OF THE PLAN

A discussion of the principal provisions of the Plan is set forth below. The discussion of the Plan that follows is a summary only and is qualified in its entirety by reference to the full text of the Plan itself. You are urged to read the Plan in full and make a thorough review of its terms in evaluating whether to accept or reject the Plan. If any inconsistency exists between the summary herein and the Plan, the terms of the Plan control.

A. Classification and Treatment of Claims and Interests.

1. Classification Generally.

The Plan designates Classes of Claims and Interests for purposes of voting on the Plan and making distributions. All Claims, other than Administrative Expense Claims and Priority Tax Claims, and all Equity Interests are placed in Classes under the Plan. A Claim is classified in a particular Class only to the extent that the Claim falls within the description of that Class and

1 is classified in one or more other Classes to the extent that any remainder of the Claim falls
2 within the description of such other Classes.

3 **2. Unclassified Claims**

4 **a. Administrative Claims**

5 Administrative Claims are claims incurred by the Debtor during the Bankruptcy Case.
6 Each Administrative Claim other than Fee Claims accrued on or before, but unpaid as of, the
7 Effective Date will be paid in full in Cash on the latest of: (i) the Effective Date; (ii) the date on
8 which the Bankruptcy Court enters an order allowing such Administrative Claim; (iii) 30 days
9 after the Claim is Allowed; or (iv) the date on which the Debtor and the holder of such Allowed
10 Administrative Claim otherwise agree in writing. The Debtor does not believe that there will be
11 any holders of Administrative Claims that are not Fee Claims.

12 **b. Professional Fees**

13 Each professional person whose retention or appointment in these Bankruptcy Case has
14 been approved by the Bankruptcy Court, including counsel retained by the Debtor, accountants
15 and other advisors for the Debtor, has a Fee Claim against the estate. Each professional shall file
16 with the Bankruptcy Court and serve on all parties required to receive notice a final fee
17 application within 45 days after the Effective Date. The failure to timely file the fee application
18 as required under the Plan will result in the Fee Claim being forever barred and discharged. All
19 Allowed Fee Claims shall be paid by the Reorganized Debtor from Cash from operations or
20 through application of any retainer held by such professional person.

21 **c. Priority Tax Claims**

22 Each holder of an Allowed Priority Tax Claim will be paid the full amount of its Allowed
23 Priority Tax Claim on the Effective Date or 30 days after the Claim is Allowed, whichever is
24 later.
25
26

1 **B. Classified Claims**

2 A creditor will receive a distribution under the Plan only if such creditor is the holder of
3 an Allowed Claim. Distributions under the Plan are in full satisfaction of all Claims. The Plan
4 provides for classification and treatment of all Claims against the estate as follows:

5 **1. Class 1. BOTW Claim**

6 Class 1 is impaired by and entitled to vote on the Plan. On or about the Effective Date,
7 the Reorganized Debtor will execute and deliver Amended Loan Documents to the Holder of the
8 Class 1 Claim. The Amended Loan Documents will provide for repayment of the Allowed Class
9 1 Claim on the terms provided for in the Plan, which include: (a) beginning the first Business
10 Day after the first day of the month following the Effective Date, the Reorganized Debtor will
11 make monthly payments of principal and interest based on a seven-year amortization schedule at
12 4.75%; (b) the Reorganized Debtor shall continue to make substantially equal payments on the
13 first Business Day of each month thereafter; and (c) all unpaid amounts due on the Allowed
14 Class 1 Claim will be paid no later than the first Business Day of the sixtieth month following
15 the Effective Date. The Debtor estimates that the amount remaining on the sixtieth month will
16 be approximately \$180,000.

17 As security for the repayment of the Allowed Class 1 Claim under the Plan, BOTW will
18 retain all liens and security interests in the Debtor's property existing on the Petition Date and
19 limited by sections 552(a) and (b) of the Bankruptcy Code. BOTW is granted no liens or
20 security interests in any other property of the Debtor or Reorganized Debtor not existing on the
21 Petition Date and in accordance with sections 552(a) and (b) of the Bankruptcy Code.

22 **2. Class 2. General Unsecured Claims (Over \$13,000)**

23 Class 2 is comprised of holders of Allowed Unsecured Claims in excess of \$13,000.00.
24 Class 2 is impaired by and entitled to vote on the Plan. Because the holder of the GIDI
25 Unsecured Claim and the holder of the Ivory Unsecured Claim are insiders, they will not vote on
26 the Plan. Reorganized Debtor shall first pay to each holder of an Allowed Class 2 Claim, other

1 than the holder of the GIDI Unsecured Claim and the holder the Ivory Unsecured Claim, in Cash,
2 the amount of such Allowed claim without interest. Each such holder will receive, beginning on
3 first Business Day of the first month following the Effective Date, such holder's Pro Rata share
4 of \$5,000. Reorganized Debtor shall continue to make substantially equal payments on the first
5 Business Day of each month thereafter, until the principal amounts of Allowed Class 2 Claims,
6 other than the GIDI Unsecured Claim and the Ivory Unsecured Claim, are paid in full, without
7 post-confirmation interest. The Debtor estimates this will occur in sixty months. Upon the
8 payment in full of the face amount of all Allowed Class 2 Claims other than the GIDI Unsecured
9 Claim and the Ivory Unsecured Claim, Debtor shall then begin making monthly payments in the
10 same amount as set forth above to the holder of the GIDI Unsecured Claim and the holder of the
11 Ivory Unsecured Claim.

12 **3. Class 3. Small Unsecured Claims (Under \$13,000)**

13 Class 3 is comprised of holders of Allowed Unsecured Claims that are less than
14 \$13,000.00. Class 3 is impaired by and entitled to vote on the Plan. The Reorganized Debtor
15 shall pay to each holder of an Allowed Class 3 Claim, in Cash, the amount of such Allowed
16 Claim without interest. Each such holder will receive, on first Business Day after sixty days
17 after the Effective Date, payment in full, in cash, of its Allowed Claim without interest.

18 **4. Class 4. Equity Interests**

19 Class 4 is unimpaired and not entitled to vote on the Plan. All legal, equitable, and
20 contractual rights of holders of Equity Interests with respect to their respective Equity Interests
21 shall remain unaltered.

22 **C. Plan Funding**

23 The Plan will be funded by a combination of the Debtor's Cash on hand as of the
24 Effective Date, Cash that is collected or generated by the Reorganized Debtor after the Effective
25 Date, and contributions made by Michael Ivory in his personal capacity. In addition, the Plan
26 will implement an acquisition that the Debtor believes will increase the Debtor's profitability.

1 The Debtor, with the assistance of Mr. Ivory, intends to purchase, with approval of the
2 Bankruptcy Court after notice and hearing, a Barudan America 15-Head Servo embroidering
3 machine (No. BEXSF151C) for approximately \$103,000, drawing on a credit line facilitated by
4 Maxwell Morgan LLC. If approved by the Bankruptcy Court, the loan would be secured by a
5 first lien on the machine and a second lien on the personal residence of Mr. Ivory. The Debtor
6 believes that the machine will generate net profits over the added costs.

7 **D. Distributions to Creditors**

8 The provisions of the Plan that govern distributions to creditors and the resolution of
9 disputed and contingent claims are set forth in Article 5 of the Plan. Certain of those provisions
10 are summarized below.

11 **1. Distributions Generally**

12 Distributions under the Plan will be overseen by the management of the Reorganized
13 Debtor and made on the dates specifically prescribed by the Plan. Distributions to be made by
14 the Reorganized Debtor under the Plan ordinarily will be made by check drawn on a domestic
15 bank. Withholding taxes and other amounts required to be withheld under applicable law will be
16 deducted from distributions. Distributions to creditors pursuant to the Plan ordinarily will be
17 delivered by First-Class mail, postage prepaid, in an envelope addressed as directed in a request
18 served on the Reorganized Debtor as provided in the Plan, but if no such request is made, at the
19 address shown in the Schedules, as they may from time to time be amended, or, if a different
20 address is stated in a proof of claim duly filed with the Bankruptcy Court, to such address.
21 Reorganized Debtor shall serve as the disbursing agent under the Plan.

22 **2. Limitations on Amending Claims**

23 Except as otherwise provided in the Plan, after the Confirmation Date, a proof of claim
24 may be amended by the holder of such Claim solely to decrease, but not to increase, the amount
25 of such Claim.
26

1 **E. Executory Contracts and Unexpired Leases**

2 The Debtor intends to assume the unexpired lease agreement pertaining to the Debtor's
3 business premises. Debtor is not aware of any other executory contracts or unexpired leases to
4 which it is a party. However, in the event that such agreements exist, they will be rejected on the
5 Effective Date pursuant to the provisions of the Plan. The Debtor anticipates assuming the
6 executory property lease and curing the \$75,000 prepetition arrearage with payments over sixty
7 months, as provided in the Plan with the consent of the lessor.

8 **VII. THE REORGANIZED DEBTOR**

9 **A. Ownership and Management**

10 **1. Management**

11 The Plan provides that upon the occurrence of the Effective Date, existing management
12 (described above in section III.B) will remain in place.

13 **B. Financial Projections - Ivory Trading**

14 Ivory Trading has prepared financial projections on the treatment of the various claims
15 under the Plan. Attached hereto as **Exhibit B** are projected monthly statements of cash flow
16 statements as of and for the five fiscal yearly periods beginning on August 1, 2015, the estimated
17 effective date.

18 An important component of the cashflow projections appearing in Exhibit B is that the
19 Reorganized Debtor will be able to build cash reserves for business improvements. The Debtor
20 believes that accumulation of cash reserves will enhance its ability to obtain financing to pay off
21 the Class 1 Claim of BOTW.

22 **VIII. VOTING ON THE PLAN**

23 **A. Voting Eligibility**

24 In general, a holder of a claim or interest may vote to accept or reject a plan if either
25 (1) the claim or interest is "allowed," which means generally that it is not disputed, contingent or
26 unliquidated in amount, and (2) the claim or interest is part of a class that is impaired by the plan.

1 If a creditor or equity interest holder will not receive any distribution under a plan in respect of
2 such claim or interest, the Bankruptcy Code deems such holder to have rejected the plan and
3 provides that the holder is not entitled to vote. On the other hand, if the claim or interest is part
4 of a class that is not impaired, the Bankruptcy Code conclusively presumes that holder of such
5 claim or interest has accepted the plan and provides that the holder is not entitled to vote. Under
6 section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be “impaired”
7 under a plan unless (1) the plan leaves unaltered the legal, equitable, and contractual rights to
8 which such claim or interest entitles the holder thereof, or (2) notwithstanding any legal right to
9 an accelerated payment of such claim or interest, the plan (a) cures all existing defaults (other
10 than defaults resulting from the occurrence of events of bankruptcy), (b) reinstates the maturity
11 of such claim or interest as it existed before the default, (c) compensates the holder of such claim
12 or interest for any damages resulting from such holder’s reasonable reliance on such legal right
13 to an accelerated payment, and (d) does not otherwise alter the legal, equitable, or contractual
14 rights to which such claim or interest entitles the holder of such claim or interest.

15 Under the Plan, only the holders of Allowed Claims (or of disputed claims that are
16 temporarily allowed by the Bankruptcy Court for voting purposes) in Classes 1, 2 and 3 are
17 entitled to vote. As noted above, neither the holder of the GIDI Unsecured Claim nor the holder
18 of the Ivory Unsecured Claim will vote. The holders of Class 4 Equity Interests are not impaired
19 and are deemed to have accepted the Plan.

20 **B. Voting Deadline**

21 The deadline for submitting completed ballots is 5:00 p.m. (prevailing Pacific Time) on
22 _____, 2015 (the “Voting Deadline”). Only those ballots that are actually received by
23 the Voting Deadline will be counted as either accepting or rejecting the Plan.

24 **C. Acceptance By a Class**

25 As a condition to confirmation, the Bankruptcy Code requires, among other things, that
26 (1) at least one class of claims that is impaired under the plan has accepted the plan, determined

1 without including any acceptance of the plan by any insider, and (2) except under certain
2 circumstances, each class of claims or interests that is impaired under the plan accepts the plan.
3 Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by an impaired class of
4 claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in
5 number of claims in that class, but for that purpose counts only the votes of those creditors who
6 actually vote to accept or reject the plan.

7 Additionally, if creditors in a Class fail to (i) vote to either accept or reject the Plan and
8 (ii) object to the Plan, such Class shall be deemed to accept the Plan.

9 **D. Voting Procedures**

10 **1. Submission of Ballots**

11 A form of ballot is included among the materials that accompany this Disclosure
12 Statement. All votes to accept or reject the Plan must be cast by properly submitting a duly
13 completed and executed ballot. Ballots must be delivered to the Debtor's counsel as designated
14 in the ballot at the address or fax number set forth on the ballot and must be received by the
15 Voting Deadline. The method of delivery of a ballot is at the election and risk of the voting
16 creditor. Please carefully follow the directions contained on the enclosed ballot.

17 **2. Incomplete Ballots**

18 Any ballot received that (i) is not signed, (ii) does not contain sufficient information to
19 permit the identification of the claimant, or (iii) does not indicate either an acceptance or
20 rejection of the Plan or which indicates both acceptance and rejection of the Plan will be invalid
21 and will not be counted as a vote cast with respect to the Plan.

22 **3. Withdrawal or Change of Votes**

23 A ballot may be withdrawn by delivering a written notice of withdrawal to the Debtor's
24 counsel at any time prior to the Voting Deadline. Thereafter, a withdrawn ballot will not be
25 effective unless approved by the Bankruptcy Court. In order to be valid, a notice of withdrawal
26 must (i) specify the name of the holder who submitted the vote on the Plan to be withdrawn,

(ii) contain a description of the Claim to which it relates and (iii) be signed by the holder in the same manner as on the ballot. The Debtor expressly reserves the absolute right to contest the validity of any such withdrawals of votes on the Plan. Any creditor who has submitted to the Debtor's counsel a properly completed ballot prior to the Voting Deadline may change such vote by submitting to the Debtor's counsel prior to the Voting Deadline a subsequent properly completed ballot. In the case where more than one timely, properly completed ballot is received with respect to the same Claim, the ballot that bears the latest date will be counted.

4. Voting Multiple Claims.

Only one form of ballot is provided for voting. Any creditor that holds a Claim in more than one Class is required to vote separately with respect to each Claim. Creditors with multiple Claims in the same Class shall have one Claim for voting and distribution purposes and all such amounts will be aggregated into one Claim and such creditor shall be entitled to submit only one ballot. Please sign, and return in accordance with the instructions on the ballot form, a separate ballot with respect to each such Claim.

IX. CONFIRMATION OF THE PLAN

A. Confirmation Hearing.

The Bankruptcy Court will hold a hearing to consider confirmation of the Plan at _____ a/p.m. on _____, 2015 at United States Bankruptcy Court for the District of Oregon, 1001 SW 5th Avenue, #700, Courtroom 1, Portland, Oregon 97204. The confirmation hearing may be adjourned from time to time by the Bankruptcy Court without further notice, except for an announcement of the adjourned date and time made at the confirmation hearing.

B. Deadline for Objecting to Confirmation.

Any objection to confirmation of the Plan must be in writing, must state with specificity the grounds for any such objections, and must be filed with the Bankruptcy Court on or before _____, 2015 at 5:00 p.m. (Prevailing Pacific Time).

1 **C. Requirements for Confirmation.**

2 **1. Confirmation Requirements Generally.**

3 The Bankruptcy Court can confirm the Plan only if all the requirements of section 1129
4 of the Bankruptcy Code are met. Among the requirements for confirmation are that (i) the plan
5 be accepted by all impaired classes of claims and of interests or, if rejected by an impaired class,
6 the plan “does not discriminate unfairly” and is “fair and equitable” as to such class, (ii) the plan
7 is feasible, and (iii) the plan is in the “best interest” of creditors and stockholders that are
8 impaired under the plan.

9 **2. Feasibility.**

10 In connection with confirmation with the Plan, the Bankruptcy Court will have to
11 determine that the confirmation of the Plan is not likely to be followed by the liquidation or the
12 need for further financial reorganization of the Debtor unless such liquidation or reorganization
13 is proposed in the Plan. The Debtor believes it will be able to perform its obligations under the
14 Plan.

15 **3. Best Interests of Creditors.**

16 Section 1129(a)(7) of the Bankruptcy Code requires that any holder of a claim or interest
17 in an impaired class that votes against a proposed plan must receive under the plan distributions
18 that have a value, as of the effective date of the plan, at least equal to that which the holder
19 would receive if the debtor’s assets were liquidated under chapter 7 of the Bankruptcy Code. To
20 determine what creditors and Equity Interest holders would receive if a debtor were liquidated,
21 the Bankruptcy Court must determine the dollar amount that would be generated from a
22 liquidation of its assets in the context of a hypothetical liquidation. Such determination must
23 take into account the fact that, as to each asset, all claims secured by that asset would have to be
24 paid in full, as would all administrative expenses in the chapter 7 case and in the original
25 bankruptcy case, before the balance of those proceeds would be made available to pay unsecured
26 creditors and interest holders. To determine if a plan is in the best interest of each impaired

1 class, the present value of the distributions from the proceeds of the hypothetical liquidation of
2 the assets (after subtracting the amount attributable to secured claims and administrative
3 expenses of the bankruptcy case) must be compared with the present value of the consideration
4 offered to each such class under the plan. In addition, the rule of absolute priority of distribution
5 from a debtor's estate must be applied. Under that rule, no junior holder of a claim or equity
6 interest may receive distributions under a plan unless the plan provides that all senior classes will
7 be paid in full or unless all senior classes vote to accept the plan. After consideration of the
8 effect that a chapter 7 liquidation would have on the ultimate proceeds available for distribution
9 to the debtor's creditors and interest holders (including (i) the increased cost and expense of
10 liquidation under chapter 7 arising from fees payable to a chapter 7 trustee and the attorneys and
11 other professional advisors to such trustee, (ii) the time value of money resulting from what is
12 likely a more protracted proceeding, and (iii) the application of the rule of absolute priority to
13 distributions in a chapter 7 case), the Debtor has determined that confirmation of the Plan will
14 provide each creditor in an impaired Class with a greater recovery than such creditor would
15 receive in a chapter 7 case concerning the Debtor.

16 Debtor estimates that in a liquidation case under chapter 7, general unsecured creditors
17 would receive no cash distributions because substantially all of the Debtor's assets are fully
18 encumbered by liens. A liquidation analysis for Ivory Trading is attached hereto as **Exhibit C**.
19 All general unsecured creditors of Ivory Trading will recover more under the Plan than they
20 would in a chapter 7 case.

21 **D. Confirmation Over Dissenting Class.**

22 The Bankruptcy Code permits confirmation of a plan even if it is not accepted by all
23 impaired classes, as long as (a) the plan otherwise satisfies the requirements for confirmation,
24 (b) at least one impaired class of claims has accepted it without taking into consideration the
25 votes of any insiders in such class, and (c) the plan is "fair and equitable" and does not
26

1 “discriminate unfairly” as to any impaired class that has not accepted the plan. These so-called
2 “cramdown” provisions are set forth in section 1129(b) of the Bankruptcy Code.

3 **1. Fair and Equitable.**

4 The Bankruptcy Code establishes different “cramdown” tests for determining whether a
5 plan is “fair and equitable” to dissenting impaired classes of secured creditors, unsecured
6 creditors, and equity interest holders as follows:

7 **a. Secured Creditors.**

8 A plan is fair and equitable to a class of secured claims that rejects the plan if the plan
9 provides: (a) that each holder of a secured claim included in the rejecting class (i) retains the lien
10 securing its claim to the extent of the allowed amount of such claim, whether the property
11 subject to that lien is retained by the debtor or transferred to another entity, and (ii) receives on
12 account of its secured claim deferred cash payments having a present value, as of the effective
13 date of the plan, at least equal to such holder’s interest in the estate’s interest in such property;
14 (b) that each of the holders of the secured claims included in the rejecting class realizes the
15 “indubitable equivalent” of its allowed secured claim; or (c) for the sale, subject to section
16 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing the claims
17 included in the rejecting class, free and clear of such liens with such liens to attach to the
18 proceeds of sale, and the treatment of such liens on proceeds in accordance with clause (a) or (b)
19 of this paragraph.

20 **b. Unsecured Creditors.**

21 A plan is fair and equitable as to a class of unsecured claims that rejects the plan if the
22 plan provides that: (a) each holder of a claim included in the rejecting class receives or retains
23 under the plan property of a value, as of the effective date of the plan, equal to the amount of its
24 allowed claim (including payment of interest); or (b) the holders of claims and interests that are
25 junior to the claims of the rejecting class will not receive or retain any property under the plan.
26

1 **c. Holders of Interests.**

2 A plan is fair and equitable as to a class of interests that rejects the plan if the plan
3 provides that: (a) each holder of an equity interest included in the rejecting class receives or
4 retains under the plan property of a value, as of the effective date of the plan, equal to the
5 greatest of the allowed amount of (i) any fixed liquidation preference to which such holder is
6 entitled, (ii) the fixed redemption price to which such holder is entitled, or (iii) the value of the
7 interest; or (b) the holder of any interest that is junior to the interests of the rejecting class will
8 not receive or retain any property under the plan.

9 The Debtor believes that the Plan and the treatment of all impaired Classes under the Plan
10 satisfy the foregoing requirements for nonconsensual confirmation of the Plan.

11 **2. Unfair Discrimination.**

12 A plan of reorganization does not “discriminate unfairly” if a dissenting class is treated
13 substantially equally with respect to other classes similarly situated and no class receives more
14 than it is legally entitled to receive for its claims or interests. The Debtor believes that the Plan
15 does not discriminate unfairly against any impaired Class.

16 **E. Effects of Confirmation.**

17 **1. Vesting of Estate Property.**

18 As of the Effective Date, the Reorganized Debtor shall be revested with title to all
19 property of its estate, free and clear of all liens, Claims and other interests, except to the extent
20 provided in the Plan or in the Confirmation Order. As of the Effective Date, the Debtor may use
21 and dispose and otherwise deal with such property and may conduct its affairs, in each case,
22 without supervision of the Bankruptcy Court and free of any restrictions imposed by the
23 Bankruptcy Code or the Bankruptcy Rules, other than those restrictions expressly imposed by the
24 Plan or the Confirmation Order.

1 **2. Discharge.**

2 Except, as otherwise provided in the Plan or in the Confirmation Order, on the Effective
3 Date, pursuant to section 1141(d) of the Bankruptcy Code, Debtor shall be discharged from all
4 liability on any and all Claims against the Debtor that arose at any time before the Effective
5 Date; provided, however, that to the extent that the GIDI Unsecured Claim under Class 2 and the
6 Ivory Unsecured Claim under Class 2 do not receive full payment prior to the sixtieth month
7 following the Effective Date, such Claims shall not be so discharged.

8 **3. Exculpation.**

9 Section 8.7 of the Plan provides:

10 Neither the Debtor, nor any of its respective officers, directors,
11 members, representatives or agents who served as such during this
12 Bankruptcy Case, shall have or incur any liability to any Entity for any
13 act or omission in connection with or arising out of the negotiation of
14 this Plan, the pursuit of confirmation of this Plan, the pursuit of
15 approval of the Disclosure Statement, the consummation of this Plan,
16 the transactions contemplated and effectuated by this Plan, the
17 administration of this Plan or any other act or omission during the
18 administration of this Bankruptcy Case or the Debtor's estate.
19 Notwithstanding the foregoing, Claims arising from gross negligence
20 or willful misconduct on behalf of the Debtor are not waived or
21 released in any manner by this Plan. In all respects, the Debtor will be
22 entitled to rely upon the advice of counsel with respect to its duties and
23 responsibilities under this Plan.

24 **4. Effect on Insurance Policies.**

25 Section 8.8 of the Plan addresses insurance policies issued to the Debtor and the various
26 agreements related to such policies.

27 **X. ALTERNATIVES TO THE PLAN**

28 The Debtor believes that the Plan affords its creditors the greatest opportunity for
29 realization on their assets and the greatest possible value that could be realized on their claims.
30 The Debtor also believe that the Plan is fair and reasonable in its treatment of all constituencies.
31 Possible alternatives to the Plan which might arise if the Plan is rejected or if the Bankruptcy

1 Court refuses to confirm the Plan include (i) dismissal of the Bankruptcy Case; (ii) conversion of
2 the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code, which would entail the
3 mandatory appointment of a trustee; (iii) submission by the Debtor of an alternative plan or the
4 filing by another party in interest of an alternative or competing plan; and (iv) the appointment of
5 a chapter 11 trustee for the purpose of operating the Debtor's business activities, administering
6 the Debtor's assets, and filing an alternative plan.

7 **XI. RISK FACTORS**

8 This Disclosure Statement contains forward-looking statements that involve risks and
9 uncertainties. The Debtor's income is dependent on a revenue stream generated by its business
10 ventures. As such, any risk effecting the custom headwear and wholesale steel businesses
11 (including but not limited to changing economic conditions in the surrounding area, and
12 condemnation through eminent domain) could have negative impacts on the Debtor.

13 The foregoing discussion of risk factors is intended to be a non-exclusive summary of
14 certain of those risks and uncertainties. Creditors should consider carefully these risks and are
15 encouraged to supplement this summary with their own analysis and evaluation of the Plan.

16 **XII. FEDERAL TAX CONSEQUENCES OF THE PLAN**

17 **Circular 230 Notice: We must inform you that to ensure compliance with the**
18 **requirements imposed by the Internal Revenue Service, any federal tax advice contained in**
19 **this document relating to federal taxes, was not intended or written to be used or relied**
20 **upon, and it cannot be used or relied upon, for the purpose of avoiding tax related penalties**
21 **that may be imposed under federal tax law. Under these rules, a taxpayer may rely on**
22 **professional advice to avoid federal tax penalties only if that advice is reflected in a**
23 **comprehensive tax opinion that conforms to stringent requirements under federal law.**
24 **This discussion was written in connection with the Debtor soliciting acceptances of the Plan**
25 **through this Disclosure Statement.**
26

1 **A. Scope of Discussion.**

2 The following discussion summarizes in general terms certain material federal income
3 tax consequences of the implementation of the Plan based upon existing provisions of the
4 Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”), court decisions, and
5 current administrative rulings and practice. This summary does not address the federal income
6 tax consequences of the Plan to holders of priority claims or of secured claims, nor does it
7 address any state, local or foreign tax matters or the federal income tax consequences to certain
8 types of creditors (including financial institutions, life insurance companies, tax exempt
9 organizations and foreign taxpayers) to which special rules may apply. No rulings or opinions
10 have been or will be requested from the Internal Revenue Service with respect to any of the tax
11 aspects of the Plan. The Debtor is not making any representations regarding the particular tax
12 consequences of confirmation and consummation of the Plan as to creditors or Equity Interest
13 holders, nor the Debtor or its professionals rendering any form of legal opinion or tax advice as
14 to such tax consequences. The tax laws applicable to corporations in bankruptcy are complex
15 and are subject to significant uncertainties. Each creditor and shareholder is urged to consult his,
16 her or its own tax advisor as to the consequences of the Plan under federal and applicable state,
17 local and foreign tax laws. Accordingly, the following summary of federal income tax
18 consequences of the Plan is for informational purposes only and should not be construed as tax
19 advice.

20 **B. Tax Consequences to Holders of General Unsecured Claims.**

21 Except as otherwise provided under the Plan, holders of Allowed Unsecured Claims will
22 receive one or more Cash distributions in full satisfaction of their Claims. In connection with the
23 implementation of the Plan, each holder of an Allowed Unsecured Claim generally will
24 recognize gain or loss for federal income tax purposes. The timing and amount of that gain or
25 loss will depend upon a number of factors, including whether the holder reports income as an
26 accrual basis taxpayer or as a cash basis taxpayer, whether the holder will receive multiple

1 distributions pursuant to the Plan and whether the Debtor's obligations to make payments will be
2 treated as a new debt obligation for federal income purposes.

3 In addition, the character of any gain or loss recognized by a creditor as long-term or
4 short-term capital gain or loss or as ordinary income or loss will be determined by a number of
5 factors, including the tax status of the creditor, whether the obligation from which the creditor's
6 claim arose constitutes a capital asset in the hands of the creditor, whether the obligation from
7 which the claim arose has been held for more than one year, the allocation of any distributions
8 received between principal and unpaid accrued interest, whether and to what extent the creditor
9 has previously claimed a bad debt deduction, and the extent (if any) to which interest may be
10 imputed where multiple distributions are received.

11 Because each creditor's circumstances may be different, each creditor is urged to consult
12 his, her or its own tax advisor regarding the specific federal income tax consequences to that
13 creditor of implementation of the Plan.

14 **XIII. CONCLUSION AND RECOMMENDATION**

15 The Debtor believes that confirmation and implementation of the Plan is preferable to
16 any alternative because it will provide the greatest recoveries to its creditors. For this reason, the
17 Debtor urges all creditors entitled to vote to accept the Plan.

22 Claims and Priority Tax Claims are not classified for purposes of voting on, or receiving
23 distributions under, the Plan. Holders of Administrative Claims and Priority Tax Claims are not
24 entitled to vote on the Plan but, rather, are treated separately in accordance with this article and
under Bankruptcy Code § 1129(a)(9)(A).

25 **2.2 Administrative Claims.** Each Allowed Administrative Claim (other than a
26 Fee Claim) is paid in full in Cash (or otherwise satisfied in accordance with its terms) on the

1 latest of: (a) the Effective Date, or as soon after that date as feasible; (b) any date the Bankruptcy
2 Court may fix, or as soon after that date as feasible; (c) 30 days after the Claim is Allowed; and
3 (d) any date on which the holder of the Claim and the Debtor or Reorganized Debtor agree;
4 provided, however, that Administrative Claims representing indebtedness or other obligations
5 incurred in the ordinary course of business of the Debtor will be paid in accordance with any
6 terms and conditions of any agreement or order relating thereto.

7 **2.3 Professional Fees.** Each Allowed Fee Claim is paid in full in Cash on the
8 latest of: (a) three Business Days after the Fee Claim is Allowed; and (b) another date on which

11 Reorganized Debtor its final application for allowance of compensation for services rendered and
12 reimbursement of expenses incurred through the Effective Date no later than 45 days after the
13 Effective Date. The failure to timely file the fee application as required under this section will
14 result in the Fee Claim being forever barred and discharged. A Fee Claim with respect to which
15 a fee application has been properly Filed pursuant to this section will become an Allowed
16 Administrative Claim only to the extent allowed by Final Order.

17 **2.4 Priority Tax Claims.** Except as provided in this section, all Allowed Priority
18 Tax Claims are paid in full in Cash on the latest of: (a) the Effective Date (or as soon after that
19 date as feasible); and (b) 30 days after the Claim is Allowed. Reorganized Debtor may elect to
20 pay any Allowed Priority Tax Claim through regular installment payments in Cash of a total
21 value, as of the Effective Date, equal to the Allowed amount of the Claim, over a period ending
22 not later than five years after the Petition Date, and in a manner not less favorable than the most
23 favored Unsecured Claim provided for by the Plan. Accordingly, if Reorganized Debtor so
24 elects, the installment payments will be made in the same manner as the installment payments
25 made on account of the Allowed Unsecured Claims in Class 2, beginning on the latest of: (a) the
26 Effective Date, or as soon after that date as feasible; (b) 30 days after the Claim is Allowed, or as

1 soon after that date as feasible; and (c) another date on which the holder of the Claim and the
2 Debtor or Reorganized Debtor agree. Reorganized Debtor retains the right to prepay any
3 Allowed Priority Tax Claim, or any remaining balance of such a Claim, in full or in part, at any

26

(d) Reorganized Debtor retains the right to prepay the Allowed Class 1 Claim, in full or in part, at any time on or after the Effective Date without premium or penalty.

(e) As security for the repayment of the Allowed Class 1 Claim under the Plan, BOTW will retain all liens and security interests in the Debtor's property existing on the Petition Date and limited by sections 552(a) and (b) of the Bankruptcy Code. Each such holder will receive, beginning on first Business Day of the first month following the Effective Date, such holder's Pro Rata share of \$5,000. Reorganized Debtor shall continue to make substantially equal payments on the first Business Day of each month thereafter, until Allowed Class 2 Claims are paid in full. Debtor estimates that Allowed Class 2 Claims, not including GIDI Unsecured Claim and the Ivory Unsecured Claim, will be paid in full in sixty months.

3.3 Class 3 – Small Unsecured Claims. Class 3 consists of all Allowed Unsecured Claims in amounts less than \$13,000.

1 **4.3 Continuation of Business.** From and after the Effective Date, the

2 Reorganized Debtor shall operate its business in a manner consistent with this Plan.

3 **4.4 Management and Operations.**

10 Debtor after the Effective Date, and, if necessary, a new value contribution made by one or more
11 holders of Equity Interests.

12 **4.6 Preservation of Causes of Action and Avoidance Actions.** Except as
13 otherwise provided in orders entered in the Bankruptcy Case, all Causes of Action and
14 Avoidance Actions are preserved and reserved for later adjudication in accordance with this
15 Plan, and therefore no preclusion doctrine, including, without limitation, the doctrines of *res*
16 *judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or
17 otherwise) or laches will apply to those claims or causes of action on or after Confirmation or the
18 Effective Date. The failure to specifically list or otherwise identify an Avoidance Claim or
19 Cause of Action in this Plan or the Disclosure Statement: (i) is not intended to effect, and to the
20 extent permitted by law will not be deemed to effect a release or waiver of such Avoidance
21 Claim or Cause of Action; and (ii) is not intended to impair, and to the extent permitted by law
22 will not impair, the Reorganized Debtor's right to pursue such an Avoidance Claim or Cause of
23 Action.

25 Effective Date by the Reorganized Debtor and prior to the closing of the Bankruptcy Case will
26 be paid by the Reorganized Debtor without the need for Bankruptcy Court approval.

1 **4.8 Performance of Plan Obligations by Reorganized Debtor.** The

2 Reorganized Debtor shall: (i) in the exercise of its business judgment, review all Claims and, as
3 advisable, file objections, settle, compromise, withdraw, or litigate objections to Claims; (ii) in

7 this Plan, in each case, as and when the same become due to be paid or performed.

8 **ARTICLE 5**
9 **PROVISIONS GOVERNING DISTRIBUTIONS AND DISPUTED CLAIMS**

10 **5.1 Timing of Distributions.** Except as otherwise provided for herein or ordered
11 by the Bankruptcy Court, distributions under this Plan shall be made on the Effective Date and
12 on each Distribution Date, or, in each case, as soon thereafter as is practicable.

13 **5.2 Form of Payment.** Unless otherwise agreed by the Reorganized Debtor, each
14 Cash distribution pursuant to this Plan will be made by check. If the payee requests that
15 distributions be made by electronic fund transfer, the payee shall be responsible for payment of
16 any associated fees.

17 **5.3 Withholding Taxes.** In connection with the Plan, the Reorganized Debtor
18 shall comply with all applicable withholding and reporting requirements imposed by any federal,
19 state, or local taxing authority. Any federal, state, or local withholding taxes or other amounts
20 required to be withheld under applicable law will be deducted from distributions made under the
21 Plan. All entities holding Claims shall provide Debtor or Reorganized Debtor with any
22 information necessary to effect the withholding or reporting of such amounts. The Reorganized
23 Debtor may make receipt of such information a condition for distribution of funds.

24 **5.4 Third Party Recoveries.** To the extent that the holder of a Claim entitled to
25 payment under this Plan receives payment in full or in part on any amounts asserted against the
26 Debtor, such Claim shall be reduced by the amount of any such payment or distribution.

1 **5.5 Undeliverable or Unclaimed Distributions.** For a period of 180 days after

2 any particular distribution is made pursuant to this Plan, distributions that are unclaimed,
3 including (i) checks that have been returned as undeliverable without a proper forwarding
4 address, and (ii) checks that were not mailed or delivered because of the absence of a proper
5 address to which to mail or deliver the same, will be distributed to the holders of Allowed Claims
6 entitled thereto upon presentment to the Reorganized Debtor of satisfactory proof of entitlement.
7 The Reorganized Debtor shall make a reasonable effort to ascertain the correct mailing address
8 from information generally available to the public for each holder of an Allowed Claim whose
9 check or other property cannot be mailed or delivered because of the absence of a proper address
10 or whose check has been returned without a proper forwarding address. On the first day after the
11 expiration of such 180-day period: (i) holders of Allowed Claims previously entitled to such
12 undeliverable or unclaimed distribution are no longer entitled to such distribution, and (ii) such
13 Claims are deemed disallowed for all purposes, including any future distributions. Pursuant to
14 section 347(b) of the Bankruptcy Code, all disbursements made under this Plan that remain
15 unclaimed as set forth herein will become property of the Reorganized Debtor.

16 **5.6 Time Bar to Cashing Distribution Checks.** Reorganized Debtor may (but

17 shall not be obligated to) stop payment on any check issued by it in respect of Allowed Claims if
18 such check is not presented for payment within 60 days after the date of issuance thereof. Any
19 request for reissuance of any check shall be made to the Reorganized Debtor in accordance with
20 this Plan, by the holder of the Allowed Claim to whom such check originally was issued, prior to
21 the expiration of the 180-day period set forth in Section 5.5 of this Plan. After such date, the
22 holder of any such Claim who has failed to make a timely request for reissuance of such a voided
23 check shall not be entitled to any other or further distribution under this Plan on account of such
24 voided check or such Claim.

25 **5.7 Transmittal of Distributions and Notices.** Any property or notices,

26 including distributions, that an entity is or becomes entitled to receive pursuant to this Plan may

1 be delivered by regular mail, postage prepaid, in an envelope addressed to that entity at the
2 address indicated on a properly Filed proof of claim or, absent such a proof of claim, the address
3 that is listed on the Schedules; *provided, however*, that a holder of a Claim may designate a
4 different address for notices and distributions by notifying the Reorganized Debtor of a change
5 of address in writing. The new address shall be effective upon receipt by the Reorganized
6 Debtor of such notice.

7 **5.8 Disputed Claims.** Except as otherwise provided in the Plan, after the
8 Effective Date, only the Reorganized Debtor has the authority to file objections to Claims (other
9 than Administrative Expense Claims), or to settle, compromise, withdraw, or litigate such
10 objections. Except as otherwise specifically provided in the Plan or the Confirmation Order, all
11 objections to Claims other than Administrative Expense Claims must be Filed no later than
12 120 days after the Effective Date, unless such period is extended by order of the Bankruptcy
13 Court.

14 No disbursement shall be made on account of a Disputed Claim as to which an objection
15 has been interposed or as to which a counterclaim or setoff has been asserted, unless and until the
16 objection, counterclaim, or setoff is finally resolved and such Disputed Claim is Allowed. Once
17 a Disputed Claim is Allowed, the Reorganized Debtor shall make distributions on such Claim on
18 the applicable Distribution Date. To the extent that any distribution was not made because such
19 Claim was a Disputed Claim and not yet Allowed, the Reorganized Debtor shall make such
20 distribution at the same time as the next distribution, such that such Creditor will have received
21 all distributions it would have otherwise received if its Claim was Allowed on the Effective Date.

22 **5.9 Disputed Distributions.** If any dispute arises as to the identity of a holder of
23 an Allowed Claim who is to receive any distribution under this Plan, the Reorganized Debtor
24 shall not make any distributions on account of such Claim, but shall reserve funds for such
25 distributions until the identity of the holder is determined by order of the Bankruptcy Court or by
26 written agreement among the interested parties to such dispute.

5.10 Limitations on Filing or Amending Claims After the Confirmation Date.

Except as otherwise provided in the Plan, after the Confirmation Date, a proof of claim may be amended by the holder of such Claim solely to decrease, but not to increase, the amount of such Claim. Except as otherwise provided in this Plan and in the immediately preceding sentence, any proof of claim (whether Filed to assert a new Claim or to amend a previously Filed proof of claim) Filed after the Confirmation Date is deemed disallowed in full and expunged without any action by the Reorganized Debtor.

ARTICLE 6
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

6.1 General Assumption of Executory Contracts and Unexpired Leases. All executory contracts and unexpired leases designated on **Exhibit 2** to the Plan as assumed are assumed as of the Effective Date, except for any executory contract or unexpired lease: (i) that has been rejected in accordance with a Final Order entered before the Confirmation Date; or (ii) as to which a motion to reject has been filed with the Bankruptcy Court before the Confirmation Date.

6.2 Rejection of Executory Contracts and Unexpired Leases. All executory contracts and unexpired leases either (i) designated on **Exhibit 2** to the Plan as rejected, or (ii) existing but not listed on Exhibit 2 to the Plan, are rejected as of the Effective Date, except for any executory contract or unexpired lease that has been assumed or rejected in accordance with a Final Order entered on or before the Confirmation Date.

6.3 Cure of Assumed Contracts and Leases. On the Effective Date or as soon after as is feasible, the Debtor must Cure any defaults under any executory contract or unexpired lease assumed under the Plan. Any monetary Cure required for the assumption of a particular contract or lease is indicated on Exhibit 2 to the Plan. Any non-Debtor party to any such contract or lease that disputes the amount of Cure indicated on Exhibit 2 to the Plan must file a written objection with the Bankruptcy Court no later than the deadline for objecting to

confirmation of the Plan. Any such objections not raised in that manner are waived. The Debtor will not, and need not, as a condition to assuming any executory contract or unexpired lease under the Plan, Cure any default that need not be cured under Bankruptcy Code § 365(b).

6.4 Rejection Claims Bar Date. All Rejection Claims must be filed on or before the thirtieth Business Day following the Confirmation Date; and any Rejection Claim filed after such date is forever barred. All Rejection Claims are Class 2 Unsecured Claims under the Plan. With respect to any executory contract or unexpired lease rejected by the Debtor before the Confirmation Date, the deadline for filing a Rejection Claim remains the deadline set forth in the order of the Bankruptcy Court authorizing that rejection. If the order did not contain such a deadline, the deadline for filing a Rejection Claim is the thirtieth Business Day following the Confirmation Date.

7.1 Conditions Precedent to the Effective Date. The following are conditions precedent to the occurrence of the Effective Date, each of which must be satisfied or waived in accordance with section 7.2 of the Plan:

1 in any such contract or lease or in applicable law (including those described in sections 365(b)(2)
2 and (f) of the Bankruptcy Code) that prohibits, restricts or conditions such transfer or that
3 enables or requires termination or modification of such contract or lease; and (v) authorize the
4 Debtor to take all actions necessary or appropriate to enter into, implement and consummate the
5 contracts, instruments, releases, leases, indentures and other agreements or documents created in
6 connection with this Plan.

7 **7.1.2 No Stay.** No stay of the Confirmation Order is in effect at the time the
8 other conditions set forth in this section 7.1 have been satisfied or waived.

9 **7.1.3 Collateral Documents.** All documents, instruments and agreements, each
10 in form and substance satisfactory to the Debtor, provided for under or necessary to implement
11 this Plan, have been executed and delivered by the parties thereto, unless such execution or
12 delivery has been waived by the party to be benefited thereby.

13 **7.2 Waiver of Conditions.** The Debtor may waive any of the conditions to the
14 effectiveness of this Plan set forth in section 7.1 hereof.

15 **7.3 Notice of Effective Date.** On the first Business Day after the Confirmation
16 Date on which all conditions to effectiveness of this Plan are satisfied or waived, or as soon
17 thereafter as is reasonably practicable, the Reorganized Debtor shall file with the Bankruptcy
18 Court a notice that states the date on which the Effective Date occurred. This Plan is to be
19 deemed to be effective as of 12:01 a.m. (prevailing Pacific Time) on the Effective Date set forth
20 in such notice Filed with the Bankruptcy Court.

21 **ARTICLE 8**
22 **EFFECT OF CONFIRMATION**

23 **8.1 Effect of Appeals.** Notwithstanding the pendency of an appeal from the
24 Confirmation Order or the timely service and filing of a motion under Bankruptcy Rules 7052,

26 consummate this Plan, unless the Confirmation Order is stayed pending appeal.

2 Bankruptcy Code, the provisions of this Plan are binding upon the Debtor, the Reorganized
3 Debtor, all Creditors and all holders of Equity Interests, including each of their respective heirs,
4 legal representatives, successors and assigns, whether or not they accept this Plan.

5 **8.3 Revesting of Property.** Except as otherwise provided in the Plan or in the
6 Confirmation Order, on the Effective Date, pursuant to sections 1123(a)(5) and 1141 of the
7 Bankruptcy Code, all property of the Estate will vest in the Reorganized Debtor, free and clear of
8 all liens, Claims, charges, encumbrances, and other interests of Creditors and holders of Equity
9 Interests. As of the Effective Date, the Reorganized Debtor may use and dispose and otherwise
10 deal with such property and may conduct its affairs, in each case, without supervision of the
11 Bankruptcy Court and free of any restrictions imposed by the Bankruptcy Code or the
12 Bankruptcy Rules, other than those restrictions expressly imposed by this Plan or the
13 Confirmation Order.

14 **8.4 Discharge.** Except as otherwise provided in the Plan or in the Confirmation
15 Order, on the Effective Date, pursuant to section 1141(d) of the Bankruptcy Code, the Debtor
16 and the Reorganized Debtor, and each of them, are discharged from all liability on any and all
17 Claims that arose before the Confirmation Date; provided, however, that that to the extent that
18 the GIDI Unsecured Claim or the Ivory Unsecured Claim do not receive full payment prior to the
19 eighty-fourth month following the Effective Date, such Claims shall not be so discharged. This
20 discharge is effective on the Effective Date as to each such Claim, regardless whether: (i) a proof
21 of claim is filed or deemed filed; (ii) the Claim is an Allowed Claim under the Plan; or, (iii) the
22 holder of the Claim votes to accept or reject the Plan.

23 **8.5 Term of Injunction or Stays.** Unless otherwise provided herein, any
24 injunction or stay arising under or entered during the Bankruptcy Case under sections 105 or 362
25 of the Bankruptcy Code or otherwise that is in existence on the Confirmation Date shall remain
26 in full force and effect until the Effective Date.

8.6 Exculpation. Neither the Debtor, nor any of its respective officers, directors, members, representatives or agents who served as such during this Bankruptcy Case, shall have or incur any liability to any Entity for any act or omission in connection with or arising out of the negotiation of this Plan, the pursuit of confirmation of this Plan, the pursuit of approval of the Disclosure Statement, the consummation of this Plan, the transactions contemplated and effectuated by this Plan, the administration of this Plan or any other act or omission during the administration of this Bankruptcy Case or the Debtor's estate. Notwithstanding the foregoing, Claims arising from gross negligence or willful misconduct on behalf of the Debtor are not waived or released in any manner by this Plan. In all respects, the Debtor will be entitled to rely upon the advice of counsel with respect to its duties and responsibilities under this Plan.

8.7 Effect on Insurance Policies. Except as otherwise provided in the next sentence, and notwithstanding anything to the contrary contained elsewhere in the Plan (including any provision herein that purports to be preemptory or supervening,) the respective rights, obligations and defenses of the insured and insurer under each insurance policy issued to the Debtor or under the agreements related to such policies shall be unaffected by this Plan. Any and all Claims of the insurers based on policies issued before the Petition Date, whether such Claims arise under the policy documents or otherwise, shall be discharged under section 8.4 herein, and be classified as Class 2 Claims under the Plan.

ARTICLE 9

MISCELLANEOUS PROVISIONS

9.1 Withdrawal or Revocation. The Debtor reserves the right to revoke or withdraw the Plan prior to the Confirmation Date. If the Plan is revoked or withdrawn, or if the Confirmation Date does not occur, the Plan has no force and effect and in such event nothing contained herein will be deemed to constitute a waiver or release of any Claims by or against the Estate or any other entity, or to prejudice in any other manner the rights of the Debtor, the Estate,

1 or any other entity in further proceedings involving the Debtor and specifically will not modify
2 or affect the rights of any party under any prior orders of the Bankruptcy Court.

6 Court after notice and a hearing, the Debtor or Reorganized Debtor, as the case may be, may
7 alter, amend, or modify the Plan, in accordance with the provisions of section 1127(b) of the
8 Bankruptcy Code, or may remedy any defect or omission or reconcile any inconsistency in the
9 Plan or in the Confirmation Order in such manner as may be necessary to carry out the purposes
10 and intent of this Plan so long as the interests of claimants are not materially and adversely
11 affected.

12 **9.3 Retention of Jurisdiction.** The Bankruptcy Court will retain jurisdiction
13 over all matters arising out of or related to the Bankruptcy Case and this Plan pursuant to
14 sections 105(a) and 1142 of the Bankruptcy Code until the Effective Date. From and after the

18 Debtor, the Estate, the Reorganized Debtor, and the Bankruptcy Case for the purposes of
19 determining all matters presented by or arising under this Plan, including, without limitation,

18 indemnifications, and rulings entered in connection with the Bankruptcy Case;

9.8 Setoffs, Recoupments and Defenses. Nothing contained in this Plan shall constitute a waiver or release by the Debtor or the Reorganized Debtor of any rights of setoff or recoupment, or of any defense, they may have with respect to any Claim (including, without

1 limitation, rights under section 502(d) of the Bankruptcy Code). Except as otherwise provided in

4 with respect to such Claim any and all of the claims, rights and Causes of Action of any nature
5 that the Debtor or the Reorganized Debtor, as applicable, may hold against the holder of such
6 Claim; provided, however, that neither the failure to effect such a setoff, the allowance of any
7 Claim, the payment of any distribution hereunder or any other action or omission of the Debtor
8 or the Reorganized Debtor, as applicable, nor any provision of this Plan, constitutes a waiver or
9 release by the Debtor or the Reorganized Debtor, as applicable, of any such claims, rights and
10 Causes of Action that the Debtor or the Reorganized Debtor, as applicable, may possess against
11 such holder.

12 **9.9 Cancellation of Documents Evidencing Unsecured Claims.** As of the
13 Effective Date, any note, agreement, instrument or other document evidencing an Unsecured
14 Claim in an impaired Class shall be deemed cancelled, null and void, except for the right, if any,
15 to receive distributions under this Plan; provided, however, that this section 9.9 shall not apply to
16 the GIDI Unsecured Claim and the Ivory Unsecured Claim and the documents supporting such
17 Claims to the extent that such Claims do not receive full payment prior to the eighty-fourth
18 month following the Effective Date.

19 **9.10 No Retiree Benefits.** The Debtor is not obligated to provide retiree benefits
20 within the meaning of section 1114(a) of the Bankruptcy Code. Thus, section 1129(a)(13) of the
21 Bankruptcy Code does not apply to this Plan.

22 **9.11 Closing of the Bankruptcy Case.** As soon as practicable after the Effective
23 Date, when the Reorganized Debtor deems appropriate, it shall seek authority from the
24 Bankruptcy Court to close the Bankruptcy Case in accordance with the Bankruptcy Code and the
25 Bankruptcy Rules; *provided, however*, that entry of a final decree closing the Bankruptcy Case
26 shall, whether or not specified therein, be without prejudice to the right of the Reorganized

Debtor or other party in interest to reopen the Bankruptcy Case for any matter over which the Bankruptcy Court has retained jurisdiction under this Plan.

9.12 Compromise of Controversies. Pursuant to Bankruptcy Rule 9019, and in consideration for the classification, distributions and other benefits provided under this Plan, the provisions of this Plan constitute a good faith compromise and settlement of all Claims or controversies resolved pursuant to this Plan. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of each of the compromises and determination that such compromises and settlements are in the best interest of the Debtor and the Estate. The Debtor expressly reserves the right (with Court approval, following appropriate notice and opportunity for a hearing) to compromise and settle other Claims and Causes of Action up to and including the Effective Date.

9.13 Payment of Statutory Fees. The Reorganized Debtor will be responsible for timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6) until the Bankruptcy Case is closed, converted, or dismissed. After Confirmation, the Reorganized Debtor shall file a monthly financial report for each month, or portion thereof, that the Bankruptcy Case remains open. The monthly financial report will include a statement of all disbursements made during the course of the month by the Reorganized Debtor, whether or not pursuant to this Plan.

9.14 Notices to Reorganized Debtor. All notices, requests, demands or other communications in connection with or required to be given under this Plan, if any, will be in writing and will be sent by: (i) certified first class mail, return receipt requested, postage prepaid (deemed given when received as noted on return receipt); (ii) overnight courier, freight prepaid, receipt requested (deemed given when received as noted on receipt); (iii) facsimile (deemed given when received as noted on confirmation report); or (iv) hand delivery, receipt requested (deemed given when received as noted on receipt):

17 Order, in the event that the Reorganized Debtor defaults in the performance of any of its
18 obligations under the Plan and has not cured such a default within any applicable cure period (or,
19 if no cure period is specified under the Plan, then within 30 days after receipt of written notice of
20 default from the Creditor to whom performance is due), then the entity to whom the performance
21 is due may pursue such remedies as are available at law or in equity. An event of default
22 occurring with respect to one Claim is not an event of default with respect to any other Claim.

24 are inserted for convenience only and will not affect the interpretation hereof.

regard to choice of law rules.

9.18 Computation of Time Periods. In computing any period of time prescribed
or allowed by this Plan, unless otherwise expressly provided herein, the provisions of
Bankruptcy Rule 9006(a) will apply.

1 **9.19 Successors and Assigns.** The Plan is binding upon and inures to the benefit
2 of the Debtor, the Reorganized Debtor, Creditors, holders of Equity Interests, and all other
3 parties in interest affected thereby and their respective successors, heirs, legal representatives,
4 and assigns.

5 **9.20 Exhibits and Schedules.** All exhibits and schedules to this Plan are
6 incorporated into and are part of this Plan as if set forth in full herein.

7 WHEREFORE, the Debtor requests entry of an order granting the relief requested herein
8 and such other and further relief as is just and proper under the circumstances.
